Milestone for garage conversion firm

Thousandth customers Rupert and Jessica O'Connell collect their bouquet from Ian Garcia, left

OLIVER SANDERS EE060707_OS04_01

THE Exeter branch of a national building company has reached a milestone by completing the firm's 1,000th garage conversion in the UK.

As the lucky customers, Exminster couple Rupert and Jessica O'Connell, were presented with a bottle of champagne and a bouquet of flowers by Ian Garcia, of the Garage Conversion

Company, whose South West base is in Topsham.

Their integral garage was converted into a dining room and utility room three weeks before the birth of their first child, Emilee.

Ian said: "Converting under-used space into that extra room is really popular now, proving far more cost effective than moving.

"Most of our customers tell us that they can't even fit their cars in the garage anyway so opt to convert them into granny annexes, a playroom for the kids or even new kitchens."

Rupert said: "The garage just used to collect junk, but now it's very much part of the house."

Lloyds team in golf triumph

A TEAM from Lloyds TSB won the fifth annual Devon Wildlife Trust corporate golf tournament in glorious sunshine at Dawlish Warren Golf Club.

Following a coffee and bacon sandwich, 14 teams of four teed off on a course leased by the club from the wildlife trust.

The charity shield went to the Lloyds TSB team, who were followed in second place by Lewis Knight, with third place going to the golf club's own team.

There were several spot prizes, including two magnums of champagne donated by Ramasis, and players could enter the business card draw to win prizes donated by Flybe, Compass Reedy and The Owl and the Pussycat restaurant in Teignmouth.

Tracy Ebbrell, DWT's corporate relations officer, said: "All the players thoroughly enjoyed the competition, which was made especially challenging due to the wind this year."

"We raised over £3,000 this year for our work around the county."

"A new drinks tent provided a welcome boost for the players half way around
